1 Identification of substance:

- **Product Details:**
  - MSDS Number: VS60313-11
  - Issue Date: September 27, 2005
  - Supersedes: VS60313-10
  - ECO No.: ECO36115
- **Product Name:** BD Vacutainer® Brand SST™ Tubes containing Silica and Gel
- **Catalog Numbers:**
  - 365951, 365954, 365956, 365967, 365978, 365979, 366509, 366510, 366511, 366513, 366514, 366590, 366591, 366596, 367695, 367696, 367782, 367783, 367784, 367785, 367786, 367788, 367789, 367790, 367791, 367795, 367796, 367797, 367974, 367975, 367977, 367979, 367981, 367983, 367985, 367986, 367987, 367988, 367989, 367991, 367997, 368013, 368014, 368015, 368016, 368159, 368162, 368510, 368514, 368517, 369783, 369784, 369789, 369791, 369796, 369798, 369799, 369800, 369801, 369802, 369803, 369804, 369805, 369806, 369807, 369808, 369809, 369810, 369811, 369812, 369813, 369814, 369815, 369816, 369817, 369818, 369819, 369820, 369821, 369822, 369823, 369824, 369825, 369826, 369827, 369828, 369829, 369830, 369831, 369832, 369833, 369834, 369835, 369836, 369837, 369838, 369839, 369840, 369841, 369842, 369843, 369844, 369845, 369846, 369847, 369848, 369849, 369850, 369851, 369852, 369853, 369854, 369855, 369856, 369857, 369858, 369859, 369860, 369861, 369862, 369863, 369864, 369865, 369866, 369867, 369868, 369869, 369870, 369871, 369872, 369873, 369874, 369875, 369876, 369877, 369878, 369879, 369880, 369881, 369882, 369883, 369884, 369885, 369886, 369887, 369888, 369889, 369890, 369891, 369892, 369893, 369894, 369895, 369896, 369897, 369898, 369899, 369900, 369901, 369902, 369903, 369904, 369905, 369906, 369907, 369908, 369909, 369910, 369911, 369912, 369913, 369914, 369915, 369916, 369917, 369918, 369919, 369920, 369921, 369922, 369923, 369924, 369925, 369926, 369927, 369928, 369929, 369930, 369931, 369932, 369933, 369934, 369935, 369936, 369937, 369938, 369939, 369940, 369941, 369942, 369943, 369944, 369945, 369946, 369947, 369948, 369949, 369950, 369951, 369952, 369953, 369954, 369955, 369956, 369957, 369958, 369959, 369960, 369961, 369962, 369963, 369964, 369965, 369966, 369967, 369968, 369969, 369970, 369971, 369972, 369973, 369974, 369975, 369976, 369977, 369978, 369979, 369980, 369981, 369982, 369983, 369984, 369985, 369986, 369987, 369988, 369989, 369990, 369991, 369992, 369993, 369994, 369995, 369996, 369997, 369998, 369999, 369999
- **Manufacturer/Supplier:**
  - BD Diagnostics, Preanalytical Systems
  - 1 Becton Drive
  - Franklin Lakes, NJ, 07417-1885
- **Information Department:**
- **Emergency Information:**
  - In case of a chemical emergency, spill, fire, exposure, or accident contact ChemTrec at (800) 424-9300.

2 Composition/Data on components:

- **Description:**
  - Chemical name: Silica and Gel (Proprietary Mixture)
  - Synonyms: Silica: Amorphous silica, fused silica
- **CAS No.:**
  - Silica: 60676-86-0
  - Gel: Proprietary mixture
- **Quantity of substances:**
  - Silica: 0.10 – 2.56 mg
  - Gel: 0.90 – 3.50 g
- **Exposure limits:** 0.1 mg/m³ (ACGIH) (OSHA PEL) (Silica, respirable)

3 Hazards identification:

- **Hazard description:**
  - **EU:** This product contains no hazardous constituents, or the concentration of all chemical constituents are below the regulatory threshold limits described by European Directive 91/155/EEC, and 93/112/EC.  
  - **U.S.:** Silica dust particles may cause slight eye irritation. Inhalation of large amounts of silica dust causes acute pneumoconiosis, characterized by coughing and throat irritation. Repeated inhalation of
silica dust may cause silicosis, a delayed (chronic) lung disease characterized by a severe fibrous scarring of the lung. Silicosis may be progressive and result in heart failure. Silicosis increases the risk of tuberculosis, and may lead to chronic kidney disease and end-stage renal disease. Amorphous Silica is classified by IARC as Group 3 (Not classifiable as to human carcinogenicity.) Avoid inhalation of dusts. Avoid generation and accumulation of dusts.

Primary route of entry: eyes, inhalation

- **Classification system:** The classification is according to the latest editions of the EU-list, and extended by company and literature data.
- **Acute Exposure Effects:**
  - Eyes: May cause slight eye irritation.
  - Skin: None identified.
  - Inhalation: May cause irritation of the respiratory tract.
  - Ingestion: None identified.

- **Repeated Exposure Effects:**
  - Eyes: May cause slight eye irritation.
  - Skin: None identified.
  - Inhalation: Repeated inhalation exposure to silica dust may cause silicosis, a delayed (chronic) lung disease characterized by a severe fibrous scarring of the lung. Silicosis may be progressive and result in heart failure. Silicosis increases the risk of tuberculosis, and may lead to chronic kidney disease and end-stage renal disease.
  - Ingestion: None identified.

- **Medical Conditions Which Might be Aggravated:** Pre-existing lung disease

- **NFPA ratings (scale 0-4):**
  - Health: 2
  - Fire: 0
  - Reactivity: 0
  - Specific Hazard: 0

- **HMIS ratings (scale 0-4):**
  - Health: 2
  - Flammability: 0
  - Reactivity: 0
  - Special: 0

### 4 First aid measures:

**General information:** No special measures required

**After inhalation:** Remove to fresh air. If not breathing give artificial respiration. If breathing is difficult, give oxygen. Consult a physician.

**After skin contact:** Immediately wash with water and soap, and rinse thoroughly

**After eye contact:** Rinse opened eye for 15 minutes under running water. If symptoms persist, consult a doctor.

**After Swallowing:** If large amounts are swallowed, get immediate medical attention.

**Information for doctor:** Show this label
5  Fire fighting measures:

- **Suitable extinguishing agents:** Use media suitable for surrounding fire.
- **Protective equipment:** Wear self-contained NIOSH approved breathing apparatus and protective clothing to prevent contact with skin and eyes.

6  Accidental release measures:

- **Person-related safety precautions:** Avoid overexposure. Wear protective equipment, including NIOSH approved respirator. Exposure limits: 0.1 mg/m³ (ACGIH) (OSHA PEL) (Silica, respirable)
- **Measures for environmental protection:** Not applicable
- **Measures for cleaning/collection:** Wet down to minimize any airborne dust. Place in an appropriate disposal container.
- **Additional information:** None

7  Handling and storage:

- **Handling:**
  - **Information for safe handling:** Follow routine safe handling procedures.
  - **Information about protection against explosions and fires:** Not applicable.
- **Storage:**
  - **Requirements to be met by storerooms and receptacles:** Use suitable containers. Keep tightly closed when not in use. Store in a well-ventilated area.
  - **Information about storage in one common storage facility:** Avoid strong oxidizing agents.
  - **Further information about storage conditions:** None

8  Exposure controls and personal protection:

- **Additional information about design of technical systems:** Use sufficient local or general exhaust.
- **Components with limit values that require monitoring at the workplace:**
  - **Exposure limits:** 0.1 mg/m³ (ACGIH) (OSHA PEL) (Silica)
- **Additional information:** The lists that were valid during the creation were used as basis.
- **Personal Protective Equipment:**
  - **General protective hygiene measures:** Wash thoroughly after handling. Remove contaminated clothing and wash before reuse. Avoid contact with eyes, skin, and clothing. Avoid ingestion and inhalation. Use with adequate ventilation. Provide eye bath and safety shower.
  - **Breathing equipment:** NIOSH/MSHA Approved respirator
  - **Protection of hands:** Use compatible chemical - resistant gloves
  - **Eye protection:** Use chemical safety goggles
  - **Body protection:** Wear appropriate protective clothing to prevent skin exposure.
09 Physical and chemical properties:

- General Information:
  - Form: Gel
  - Color: Tan
  - Odor: Odorless
- Change in condition:
  - Melting point/Melting range: Not determined
  - Boiling point/Boiling range: Not determined
- Flash point: Not applicable
- Flammability (solid, gaseous): Not applicable
- Danger of explosion: Product does not present an explosion hazard.
- Vapor pressure: Not applicable
- Density: Not determined
- Solubility in/Miscibility w/H2O: Not applicable
- pH-value: Not applicable
- Organic solvents: Not applicable
- Solids content: Not available

10 Stability and reactivity:

- Thermal decomposition / conditions to be avoided: None identified
- Materials to be avoided: Strong oxidizing agents
- Dangerous reactions: Stable
- Dangerous products of decomposition: None identified

11 Toxicological information:

- Acute toxicity:
  - Eye: May cause slight eye irritation.
  - Skin: None identified.
  - Inhalation: May cause irritation of the respiratory tract.
  - Ingestion: None identified.
- Primary irritant effect:
  - On the skin: Not established
  - On the eye: Not established
- Sensitization: Not established
- Additional toxicological information:
  - Chronic: Exposure to silica dust may cause silicosis, a delayed (chronic) lung disease characterized by a severe fibrous scarring of the lung. Silicosis may be progressive and result in heart failure. Silicosis increases the risk of tuberculosis, and may lead to chronic kidney disease and end-stage renal disease.
Carcinogenicity: Amorphous Silica is classified by IARC as Group 3 (Not classifiable as to human carcinogenicity.)

### Ecological information:

- **Ecotoxicological effects:** No data is available on the adverse effects of this material on the environment. Neither COD nor BOD data are available.
- **Other information:** Not applicable
- **General notes:** Not applicable

### Disposal considerations:

- **Product:**
  - **Recommendation**
  - Disposal should be done in accordance with local, state and federal regulations.
  - Disposal must be made according to the regulations found in 40 CFR 261.
  - This product is not a RCRA hazardous waste.
- **Uncleaned packagings:**
  - **Recommendation**
  - Disposal should be done in accordance with local, state and federal regulations.
  - **Recommended cleansing agent**
  - Water, if necessary with cleansing agents

### Transport information:

- **DOT regulations:** Not regulated
- **Land transport ADR/RID (cross-border):** Not regulated
- **Maritime transport IMDG:** Not regulated
- **Air transport ICAO-TI and IATA-DGR:** Not regulated

### Regulations:

- **SARA Section 355 (extremely hazardous substances):** Substance not listed
- **SARA Section 302 (extremely hazardous substances):** Substance not listed
- **SARA Section 304 (Reportable Quantity (RQ) under CERCLA):** None
- **Section 313 (specific toxic chemical listings):** Substance not listed
- **TSCA (Toxic Substances Control Act) Inventory:** Silica listed
- **California Proposition 65 – Chemicals Known to Cause Cancer:** Silica listed; gel component may contain trace amounts.
  - **California Proposition 65 – Chemicals Known to Cause Reproductive Toxicity:** Silica listed
Material Safety Data Sheet
acc. to ISO/DIS 11014

Product Name: BD Vacutainer® Brand SST™ Tubes containing Silica and Gel

- SARA Section 311/312 (Hazard notification categories under SARA Title III): Acute; Chronic
- Carcinogenicity categories
  IARC (International Agency for Research on Cancer): Group 3 (Not classifiable as to human carcinogenicity)
  NTP (National Toxicology Program): Amorphous silica not listed
  TLV (Threshold Limit Value established by ACGIH): 0.1 mg/m³ (Silica, respirable)
  MAK (German Maximum Workplace Concentration): MAK: 0.3 A mg/m³ (Silica)
- Product related hazard information:
- National regulations: Not applicable
- Water hazard class: Not known to be hazardous to water.

16 Other information:

To the best of our knowledge, the information contained herein is accurate. However, neither BD or any of its subsidiaries assumes any liabilities whatsoever for the accuracy or completeness of the information contained herein. Final determination of suitability of any material is the sole responsibility of the user. All materials may present unknown hazards and should be used with caution. Although certain hazards are described herein, we cannot guarantee that these are the only hazards that exist.
